

This technical drawing shows a vertical section of a building. On the left, a wall is shown with a window and a door. The window is filled with a pattern of small circles, and the door is filled with a pattern of small triangles. The wall is supported by a foundation, which is shown with a hatched pattern. The roof is shown with a hatched pattern. The drawing includes various construction details, such as the window frame, door frame, and foundation. The drawing is oriented vertically, with the top of the building at the top of the page.
